

This Week's Wonder:

Design a Dragon Bakery

This week, your child is creating a bakery run by a friendly dragon.

They might draw magical cakes, smoky ovens, lava buns, cloud biscuits, rainbow bread, tiny customers, secret recipes, funny signs, or something completely different. They can use the guide in the app, draw on the printed sheet, or start again on plain paper.

The best dragon bakeries are full of delicious, surprising ideas.

Help them present it:

When they have finished, ask them to give you a tour of their dragon bakery.

You could ask:

What is your bakery called?

What does the dragon bake?

Who comes to buy the treats?

What is the most popular thing on the menu?

Is anything magical, spicy, smoky or silly?

They could present it like a baker, shop owner, food critic, recipe inventor or dragon café manager.
